

**Susan Shaw, P.Eng.**  
**Director, Ontario Business Development**  
**EPCOR Utilities Inc.**

Ms. Shaw graduated as a mechanical engineer with a Bachelor of Engineering Science and Mechanics from the Georgia Institute of Technology in 1981 and has over 25 years experience in the energy industry. She began her career with Westinghouse Electric Corporation where she held diverse roles over a 12 year period in Commercial Nuclear Power and Waste to Energy.

Ms. Shaw joined Trigen Energy Corporation in 1994 as Director of Operations Engineering and she served as President of Trigen Energy Canada from 1997 to 2001. Trigen was the largest owner/operator of district energy systems in North America at the time. From 2001 to 2004 she ran a successful energy consultancy, joining EPCOR as a consultant in 2004. In January 2005 Ms. Shaw joined EPCOR as a fulltime staff member. During her tenure with EPCOR Ms. Shaw has been responsible for leading the business development activities associated with EPCOR's Kingsbridge Wind Power Project located near Goderich, ON.

She is a Director and former President of the Canadian District Energy Association. As an Old South London resident since 1999, Ms. Shaw is also a Director and former President of the Old South Community Organization.
