3-11 ALTERNATE PRODUCTS

Unless qualified by the provision "NO SUBSTITUTE", the use of the name of a manufacturer, brand, make or catalogue designation in specifying an item does not restrict bidders to that manufacturer, brand, make or catalogue designation identification. This is used simply to indicate the character, quality and/or performance equivalent of the commodity desired, but the commodity on which proposals are submitted must be of such character, quality and/or performance equivalent that it will serve the purpose for which it is to be used equally as well as that specified. In submitting a proposal on a commodity other than as specified, the bidder must furnish complete data and identification with respect to the alternate commodity proposed. Consideration will be given to proposals submitted on alternate commodities to the extent that such action is deemed to serve the best interests of the City. If the bidder does not indicate that the commodity they propose to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact commodity as described in the quotation. However, descriptive literature may be included as long as its sole purpose is only to illustrate and simplify the bid.

3-12 QUALIFYING OF BIDS

Bidders are cautioned against qualifying their submission in any manner whatsoever as this may result in their bid being rejected.

3-13 ACCEPTANCE / AWARD

The award of this bid may not necessarily be based on price. The City will evaluate bids to determine which submission most clearly meets our requirements.

3-14 INVENTORY

It will be the responsibility of the successful bidder to ensure they maintain an adequate inventory of all items covered under the contract, and within a reasonable amount of time, any new items that may be added.

3-15 CONSUMPTION REPORT

The successful bidder shall provide the City with an annual report detailing the product description, part number, and quantity for each term of the contract.

3-0 TERMS & CONDITIONS...cont'd

3-16 PACKING SLIPS/ INVOICES WITH DELIVERY

Packing slips/invoices shipped with all deliveries must include the part numbers, product description and applicable price.

3-17 SUBCONTRACTORS

Bidders shall submit a list of subcontractors in the section of the Form of Quotation. If no subcontractors are to be used, please indicate NIL.

3-18 ASSIGNMENT

Following award of the contract, the successful bidder shall not, without written consent of the Manager of Purchasing and Supply make any assignment or any subcontract for the execution of any service or product hereby quoted on.

3-19 DISPUTES

In cases of disputes as to whether or not the service quoted meets the conditions in the accepted quotation, the decision of the Manager of Purchasing and Supply for the City shall be final and binding on all parties.

3-20 EXCLUSION OF BIDDERS IN LITIGATION

a) The City may, in its absolute discretion, reject a quotation submitted by a bidder if the bidder, or any officer or director of the bidder is or has been engaged, either directly or indirectly through another corporation, in a legal action against the City, its elected or appointed officers and employees in relation to:

- i. Any other contract or services; or
- ii. Any matter arising from the City's exercise of its powers, duties, or functions.

b) In determining whether or not to reject a quote under this clause, the City will consider whether the litigation is likely to affect the bidder's ability to work with the City, its consultants and representatives, and whether the City's experience with the bidder indicates that the City is likely to incur increased staff and legal costs in the administration of the contract if it is awarded to the bidder.

3-21 EXCLUSION OF BIDDERS DUE TO POOR PERFORMANCE

a) The General Manager shall document evidence and advise Purchasing and Supply in writing where the performance of a supplier has been unsatisfactory in terms of failure to meet contract specifications, terms and conditions or for Health and Safety violations.

b) The City Treasurer may, in consultation with the City Solicitor, prohibit an unsatisfactory supplier from bidding on future Contracts for a period of up to three (3) years.
