Temporary Noise Permit Application – Construction or Community Event Class 2

Location of Request: _____

Please describe the source of sound and level of sound for which the temporary noise permit is sought:

Length of days/months of the activity/event (duration): _____

Provide the requested start and end time of the activity/event (AM/PM): _____

What is the reason for this request? _____

Applicant name	
Applicant address	
Applicant phone #	
Applicant email	

Required documentation to be submitted to the City of London Licensing office:

- This form, completed with the name and address of the applicant
- A sound management plan containing the following:
 - Location and direction of all sound sources
 - A noise complaint and sound mitigation plan. A sound mitigation plan shall determine the process the operations manager on duty will implement in response to a noise complaint. The process may include taking proactive actions such as providing notification to surrounding property owners of upcoming events which will involve amplified sound, providing a contact number to lodge a noise complaint, taking actions if a valid noise complaint is received such as reducing the volume, repositioning the speakers or sound source, or ending the amplified sound earlier.
 - A non-refundable application fee of \$75, and the permit fee of \$100 which will be refunded should the application not be approved, (the fees can be combined in one payment - cash, debit, Mastercard/Visa, or cheque payable to City of London)

You are required to mail or drop off all required documents to: City of London Licensing Office - P.O. Box 5035, 300 Dufferin Avenue, London ON, N6A 4L9

Questions? Email licensing@london.ca or call 519-930-3515

Upon receipt of the above noted information, you may be contacted to schedule a time for an on-site meeting and sound reading to determine conditions of a temporary permit (if approved).
