## INDEPENDENT AUDITOR'S REPORT

To the City Clerk of The City of London re: Bud Polhill Election Campaign

We have audited the accompanying Form 4: Financial Statement of the Bud Polhill Election Campaign, for the campaign period March 10, 2010 to December 31, 2010 relating to the City of London Municipal Election held on October 25, 2010, prepared in accordance with Section 78 of the Municipal Elections Act, 1996.

### *Candidate's Responsibility for the Financial Statements*

The candidate is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting treatment prescribed by the Municipal Elections Act, 1996.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the candidate's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Basis for Qualified Opinion*

Due to the nature of the types of transactions inherent in any election campaign, the completeness of the various categories of income and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of income and expenses was limited to the amounts recorded in the candidate's election campaign records and we were not able to determine whether any adjustments might be necessary to assets, liabilities, income, expenses, or campaign period surplus/deficit.
