Part A: Important Information About Recycling and Garbage Collection

Garbage Collection Do's and Don'ts

Garbage Collection Do's:

- Put your garbage at the curb by 7 a.m., but no earlier than 6 p.m. the night before.
- Use plastic garbage bags, metal, or plastic cans. Minimum 30 Litres, maximum 125 Litres.
- Maximum weight for bags or cans is 20 kilograms (44 pounds).
- We do take large items like couches, mattresses; furniture and carpet cut and tied in 1 metre (39 inches) length bundles. Remove mattresses from hideaway beds, and tie springs down. Remove tank from two piece toilets and empty water.
- Dog feces and cat litter must be double-bagged, free of liquids and placed inside a larger bag.
- Bagged garbage is accepted at Depots for a fee.

Garbage Collection Don'ts:

- Don't place small grocery or kitchen bags at the curb. They will not be picked up unless placed in garbage cans or bags.
- These materials will not be collected: scrap metal (propane tanks, barbeques, bike frames), construction and renovation materials (drywall, wood), electronics (TVs, monitors, computers), loose garbage, tires and compact fluorescent light bulbs and tubes.
- Don't place garbage at the curbside outside the specified hours.
- Don't put broken glass and sharp metal objects in the regular garbage. Place in a sealed and clearly labelled cardboard box for garbage collectors. This will contain the glass if it breaks at collection.
- Don't place needles in the garbage. Place in a hard plastic container and contact your local pharmacy or visit healthunit.com or healthsteward.ca for safe disposal information.

New Three Container Limit Adjustment Period will be in effect starting October 1, 2016:

During this time, three containers at the curb will be encouraged. If an extra container is placed at the curb, residents will be reminded of the new Three Container Limit and provided with information to manage additional garbage. The fourth container will be collected.

- Applies to each registered residential unit.
- Containers can be garbage bags or cans.
- Several smaller bags inside a garbage can are equal to one container.

Extra Garbage:

- There are four Depot locations where extra garbage can be taken. Fees apply. (Locations below).
- There are four collection days per year when the Three Container Limit is not enforced. Collection following Thanksgiving and Christmas, Spring collection in late April or early May, and a collection at the start of September.
- **Beginning January 16, 2017**, any extra bags or containers must be tagged for curbside collection (\$1.50 per tag). Extra containers at the curb without a garbage tag will not be collected. Tags can be purchased at the Depots and City locations. Visit London.ca/garbage for details.

Drop-off Depots:

1. Oxford Street EnviroDepot: 1450 Oxford St West.
2. Clarke Road EnviroDepot: 28 Clarke Road
3. Try Recycling Depot North: 21462 Clarke Road
4. W12A Landfill and Household Special Waste Depot: 3502 Manning Drive.
