

Recycling and Reuse Locations

What Goes Where?

Looking for recycling or reuse options? Here's a list of some local companies who offer various services. The list is current at time of printing, but we suggest you call before visiting any of these locations; fees and instructions will vary by company. Still can't find what you're looking for? Find solutions by using our handy online search tool called "What Goes Where?". Here you will find out how to recycle everything from pens & binders to plastic bags. Visit www.london.ca/recycle and search away!

■ Appliance Disposal & ODS Removal

These companies will remove ODS (ozone-depleting substances) from refrigeration units (air conditioners, dehumidifiers, freezers, fridges). Some also offer pick-up and disposal of appliances. Rates vary – call first.
