Dear Neighbour:

Re: Ashley Oaks Park – Disc Golf Basket Installation

The City of London’s Parks Planning & Design section is currently working on plans to install two disc golf baskets in Ashley Oaks Park (65 Elvira Cres). Disc golf baskets consist of a pole with a small chained basket and can be enjoyed by all age groups. A map illustrating the proposed locations as well as an example of a disc golf basket are included on the reverse of this letter. They will be installed on existing grass areas later this summer.
