October 24, 2018

Dear Neighbour:

Re: Lorne Avenue Park – Community Meeting and Design Charette

As you may know, the former Lorne Avenue Public School site is planned to be redeveloped with a combination of single-detached houses and a neighbourhood park space (see proposed development concepts 1 and 2 on reverse).

We would like to invite you to participate in a discussion and design charette for the new park to be built at the corner of Lorne Avenue and English Street. This meeting will provide you an opportunity to exchange ideas for the project with City staff and your neighbours. Your input is important in helping the City design the park to meet the needs of your neighbourhood.

What: Community Meeting – Lorne Avenue Park
When: Thursday, November 15, 2018
What time: 7:00 pm until 9:00 pm
Where: Boyle Community Centre, 530 Charlotte Street

Child minding will be available. Please also note that photographs or videos may be taken during the meeting to document the consultation process.

If you cannot attend the meeting but still wish to provide comments, you can participate in our on-line survey that will be available the day after the meeting, at getinvolved.london.ca.

You can also forward your questions, comments and suggestions to Julie Michaud at the Parks and Open Space Design section by phone at (519) 661-2500 ext. 2357 or by e-mail at jmichaud@london.ca.

A follow-up community meeting is planned for early 2019, to finalize the park plans. Construction for this project is tentatively scheduled for the summer/fall of 2019.

Sincerely,

Julie Michaud
Landscape Architect, Parks and Open Space Design

Cc: J. Helmer – Ward 4 Councillor
M. Tomazincic – Current Planning
P. D’Hollander – Neighbourhood, Children and Fire Services
J. Bruin – Parks and Open Space Design
