January 30, 2019

Dear Neighbour:

Re: Lorne Avenue Park – Community Meeting #2

As you may know, the former Lorne Avenue Public School site is planned to be redeveloped with a combination of single-detached houses and a neighbourhood park space (see Council - approved proposed development concept on reverse).

Following the November 2018 meeting, a concept plan has been prepared for Lorne Avenue Park incorporating public input. We would like to present the proposed design and receive comments and suggestions from neighbours and future park users.

What: Public Open House – Lorne Avenue Park
When: Wednesday, February 27, 2019
What time: 7:00 pm until 9:00 pm
Where: Boyle Community Centre, 530 Charlotte Street

There will be a short presentation at 7:15pm, or you can drop by to view panels any time between 7 and 9 pm. Child minding will be available. Please also note that photographs or videos may be taken during the meeting to document the consultation process.

If you cannot attend the meeting but still wish to provide comments, you can participate in our on-line survey that will be available a few days after the meeting, at getinvolved.london.ca.

You can also forward your questions, comments and suggestions to Julie Michaud at the Parks and Open Space Design section by phone at (519) 661-2500 ext. 2357 or by e-mail at jmichaud@london.ca.

Construction for this project is tentatively scheduled to start in the summer/fall of 2019.

Sincerely,

Julie Michaud
Landscape Architect, Parks and Open Space Design
