AND WHEREAS on March 20, 2020 an emergency was declared by the Corporation of the City of London ("City") pursuant to section 4 of the EMCPA in support of the Province's efforts to contain the spread of COVID-19;

AND WHEREAS health authorities at the Federal and Provincial level have recommended that persons wear face coverings in public where physical distancing cannot be maintained;

AND WHEREAS the wearing of face coverings may act as one component of an overall COVID-19 mitigation strategy, of which frequent hand-washing and maintaining a safe physical distancing are also important components;

AND WHEREAS on July 6, 2020, the Medical Officer of Health of the Middlesex London Health Unit ("Medical Officer of Health") made an Order, pursuant to section 22 (5.0.1) of the *Health Protection and Promotion Act*, R.S.O. 1990, c. H.7, requiring the use of face coverings for owners, operators and passengers of public transit or commercial vehicles for hire, as well as owners and operators of personal care service establishments;

AND WHEREAS because physical distancing is impossible to guarantee in enclosed public spaces, the Medical Officer of Health has advised that the following temporary regulations are a necessary, recognized, practicable, and effective method to limit the spread of COVID-19 and thereby help protect the health, safety, and well-being of the residents of the City;

AND WHEREAS the Medical Officer of Health advises that in addition to reducing the spread of COVID-19, the following temporary measures are likely to reduce anxiety and contribute positively to economic wellbeing;

AND WHEREAS Council of the City is desirous to enact a by-law to require mandatory face coverings in enclosed spaces that are accessible to the public to help contain the spread of COVID-19;

AND WHEREAS subsection 8(1) of the *Municipal Act, 2001*, S.O. 2001, c. 25 ("*Municipal Act, 2001*") provides that the powers of a municipality shall be interpreted broadly so as to confer broad authority to enable it to govern its affairs as it considers appropriate and to enhance its ability to respond to municipal issues;

AND WHEREAS subsection 10(2) of the *Municipal Act, 2001* authorizes a municipality to pass by-laws with respect to: economic, social and environmental well-being of the municipality, including respecting climate change; the health, safety and well-being of persons; and the protection of persons and property, including consumer protection;

AND WHEREAS subsections 425(1) and 429(1) of the *Municipal Act, 2001* authorize a municipality to pass by-laws providing that a person who contravenes a municipal by-law is guilty of an offence and to establish a system of fines for offences under a by-law;

AND WHEREAS subsection 436(1) of the *Municipal Act, 2001* provides that a municipality has the power to pass by-laws providing that the municipality may enter on land at any reasonable time for the purpose of carrying out an inspection to determine whether or not a by-law passed under the *Municipal Act, 2001* is being complied with;

AND WHEREAS subsection 444(1) of the *Municipal Act, 2001* authorizes a municipality to make an order requiring the person who contravened a by-law, caused or permitted the contravention, or the owner or occupier of the land on which the contravention occurred, to discontinue the contravening activity;
