

Public Disclosure of Mayor's Expense Accounts

Members of the City of London Municipal Council have directed that the Mayor Expense Accounts be posted to the City website quarterly. The routine disclosure of these expenses is intended to enhance transparency and accountability to the taxpayer.

[The policy designating the amount, and use, of the allocation is found here.](#)

The expenses will be published within 30 days of the completion of each calendar quarter. As required by the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), personal information is redacted prior to posting.

The year-to-date balances represent the 2nd Quarter expenditures that have been posted and not yet posted to the general ledger.
