

## **Public Disclosure of Mayor's Expense Accounts**

Members of the City of London Municipal Council have directed that the Mayor Expense Accounts be posted to the City website quarterly. The routine disclosure of these expenses is intended to enhance transparency and accountability to the taxpayer.

The expenses will be published within 30 days of the completion of each calendar quarter. As required by the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), personal information is redacted prior to posting.

Please note that some of the expenditures published for the 4th quarter of 2018 are currently in the process of being reconciled by Financial Services.

[The policy designating the amount, and use, of the allocation is found here.](#)
