Adelaide Street North to Ontario Street

Welcome to the Public Information Centre.

The City of London is hosting this drop-in session where you can learn more about the streetscape design and get answers to general questions related to the reconstruction of Dundas Street, from Adelaide Street North to Ontario Street.

Detailed design for this project is being completed by Dillon Consulting Limited, and will utilize the Old East Village Dundas Street Corridor Secondary Plan and the East-West Bikeway Evaluation as building blocks to improve the streetscape design.
